

# JIM D. POSPISIL, PE

## VICE PRESIDENT/SECRETARY & STRUCTURAL PROJECT MANAGER

Mr. Pospisil is a Principal with the firm specializing in design, project management, and document production. He has experience working on large and small projects across major market sectors including healthcare, primary education, secondary education, commercial, and institutional. In addition to project design duties, Mr. Pospisil manages staff and coordinates production in the Pittsburgh branch office.

Since joining the firm in 2002, Mr. Pospisil has gained experience with new construction, renovation, and restoration projects of all sizes for many different clients. Mr. Pospisil is also active during the construction phase of projects gaining valuable hands-on feedback trouble shooting field conditions. This varied experience and feedback has resulted in a collaborative design approach that focuses on meeting overall client and project goals with creative, yet practical, structural solutions.
